Message from Our Regent

In getting ready to write my Easter/Spring greeting, I got off track as usual and wondered what the word “Easter” meant and why this particular holiday was called that and why it changes

(datewise) every year. So I looked it up! And here’s the answer according to Brent Landau (Lecturer in Religious Studies, UT at Austin): Research shows that this dating of Easter goes back to the complicated origins of this holiday and how it has evolved over the centuries.

“On April 21, Christians will be celebrating Easter, the day on which the resurrection of Jesus is said to have taken place. The date of celebration changes from year to year. The reason for this variation is that Easter always falls on the first Sunday after the first full moon following the spring equinox.

Most major Christian holidays have some connection to the changing of the seasons. Similar is the case with Easter, which falls in close proximity to another key point in the solar year: the vernal equinox (~March 20), when there are equal periods of light and darkness. Spring also means the coming back to life of plants and trees that have been dormant for winter, as well as the birth of new life in the animal world. Given the symbolism of new life and rebirth, it was only natural to celebrate the resurrection of Jesus at this time of year.

The name of “Easter” seems to go back to the name of a pre-Christian goddess in England, Eostre, who was celebrated at the beginning of Spring. The only reference to this goddess comes from the writings of the Venerable Bede, a British monk who lived in the late 17th/early 18th century. As religious studies scholar Bruce Forbes summarizes: ‘Bede wrote that the month in which English Christians were celebrating the resurrection of Jesus had been called Eosturmonath in Old English, referring to a goddess named Eostre. And even though Christians had begun affirming the Christian meaning of the celebration, they continued to use the name of the goddess to designate the season.’”

Bede was so influential for later Christians that the name stuck, and hence Easter remains the name by which the English, Germans and Americans refer to the festival of Jesus’ resurrection.’

Some early Christians chose to celebrate the resurrection of Christ on the same date as the Jewish Passover, which fell around day 14 of the month of Nisan, in March or April. These Christians were known as Quartodecimans (the name means “Fourteeners”). By choosing this date, they put the focus on when Jesus died and also emphasized continuity with the Judaism out of which Christianity emerged. Some others instead preferred to hold the festival on a Sunday, since that was when Jesus’ tomb was believed to have been found.

In A.D. 325, the Emperor Constantine, who favored Christianity, convened a meeting of Christian leaders to resolve important disputes at the Council of Nicaea. The most fateful of its decisions was about the status of Christ, whom the council recognized as fully human and fully divine.” This council also resolved that Easter should be fixed on a Sunday, not on day 14 of Nisan.”

Not very inspirational, but interesting and informative for those of you who, like me enjoy knowing the “why” and background of things. Trivial Pursuit, anyone?

My you all have a Blessed Easter,

Gail

There were no submissions for the last two offices therefore, on Thursday, May 16, the first day of the convention, nominations from the floor must be submitted with a statement of eligibility, an endorsement by the Local Court of the candidate signed by a majority of that Court's Officers, and a written consent to serve signed by the candidate before the gavel goes down to officially open the Convention. Until this happens the Convention cannot begin. Keep in your prayers that someone may decide to serve on the State Board and for the success of the Convention.

Financial Review

With our court's District Deputy, Kay Valenzano, the semi-annual financial review will be conducted on Saturday, April 20th, with the following volunteers: Patricia Cooney, Kathy Drydan, and Janet Allen. **An alternate is still needed.** As required by the By-Laws of the National CDA organization, these are done twice a year to insure the financial health of every court. It is an important job and we are grateful to the members who generously give up their time to help in this requirement.

The date is **April 26th**. Once again, it will be held at the KofC Hall on Hallock Drive at the generosity of the Knights. Our April monthly meeting will take place on **April 24th** at the Knights Hall and everyone should bring their baskets there that night. Please bring all baked goods, non-messy finger foods (cookies, brownies, donut holes), between 11am and 4pm on Friday the 26th to the Hall. Along with the usual transporters for the large baskets from Janet H's house, we will need to transport all of the buckets and cans and such from their new location in the basement at Fr. Tierney Circle over to the Knights Hall and some items from the Church Hall on Thursday morning, the 25th.

It is vital to the success of this event that every member contribute. Tickets are now available by calling Gail Erickson—496-3723, Diane Meore—(845) 978-5294 or at the meeting. **No tickets will be sold at the door.** They can also be reserved and held at the door but **must be paid for in advance.**

Kids in Church

The preacher was wired for sound with a lapel microphone, and as he preached, he moved briskly about the platform, jerking the mike cord as he went. Then he moved to one side, getting wound up in the cord and nearly tripping before jerking it again. After several circles and jerks, a little girl in the third pew leaned toward her mother and whispered, "If he gets loose, will he hurt us?"

DID YOU KNOW?

DID YOU KNOW - As you walk up the steps to the building which houses the U.S. Supreme Court you can see near the top of the building a row of the world's law givers and each one is facing the one in the middle, who is facing forward with a full frontal view—It is Moses and he is holding the Ten Commandments

DID YOU KNOW - As you enter the Supreme Court Courtroom, the two huge oak doors have the Ten Commandments engraved on each lower portion of each door.

DID YOU KNOW - As you sit inside the courtroom, you can see the wall, right above the Supreme Court judges sit, a display of the Ten Commandments.

DID YOU KNOW - There are Bible verses etched in stone all over the federal buildings and monuments in Washington, D.C.

DID YOU KNOW - James Madison, the fourth president, known as 'The Father of Our Constitution' made the following statement: 'We have staked the whole of all our political institutions upon the capacity of mankind for self-government, upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God.'

DID YOU KNOW - Every session of Congress begins with a prayer by a paid preacher, whose salary has been paid by the taxpayer since 1777.

DID YOU KNOW - Fifty-two of the 55 Founders of the Constitution were members of the established Orthodox churches in the colonies.

DID YOU KNOW - Thomas Jefferson worried that the Courts would overstep their authority and instead of interpreting the law would begin making law an Oligarchy: The rule of few over many.
