WHAT IS EASTER?

The word "Easter" comes from Old English, meaning simply the "East." The sun which rises in the East, bringing light, warmth, and hope, is a symbol for the Christian of the rising Christ, who is the true Light of the world. The Paschal Candle used during the Easter Vigil is a central symbol of this divine light, which is Christ. It is kept near the ambo throughout Easter Time and lit for all liturgical celebrations.

The Easter Vigil is the "Mother of All Vigils" and Easter Sunday is the greatest of all Sundays. The season of Easter is the most important of all liturgical times, which Catholics celebrate as the Lord's resurrection from the dead, culminating in his Ascension to the Father and sending of the Holy Spirit upon the Church. The octave of Easter comprises the eight days which stretch from the first to the second Sunday. It is a way of prolonging the joy of the initial day. There are 50 days of Easter from the first Sunday to Pentecost. It is characterized, above all, by the joy of glorified life and the victory over death expressed most fully in the great resounding cry of the Christian: Alleluia! All faith flows from faith in the resurrection: "If Christ has not been raised, then empty is our preaching; empty, too, is your faith." (1 Cor 15:14)

ST. MARY'S CHURCH HISTORY

St. Mary's Church history is now posted on the parish website under *Welcome to St. Mary's*.

Who is Tetreau Hall named for?

Why isn't the rectory next to the church?

How did early Catholics fit into this tiny community?

Easter Blessings

Alleluia! The Lord is Risen, Indeed He is Risen!

A happy and blessed Easter to you and your families,

The Church throughout the world today celebrates the central event in the history of humanity, the resurrection of Jesus Christ from the dead. This is not a mere return to natural life as with Lazarus, but something entirely different. Unlike Lazarus who would eventually die again, Jesus will never die again. Through the resurrection, He has robbed death of its eternal power and paves the way for us to go where He has gone first.

So extraordinary is this event that it's hard for us to get our head around it. There's simply no point of reference we have for anything like a resurrection in our lived experience. As a result of this, some people have proposed possible alternative explanations for the resurrection. Some say that the resurrection is spiritual, not bodily; that even though the body of Jesus remained dead, His spirit rose and that is the resurrection. Others propose the idea that the apostles fully understood the teachings of Jesus so His message rose in their hearts and minds. As understandable as it may be to try and to propose alternative explanations, these are not what the apostles preached and wrote about nor what the early Church believed.

It is proclaimed in the New Testament that Jesus rose from the dead in a glorified body. Jesus walked out of the tomb Easter morning and appeared to Mary Magdalene, the travelers on the road to Emmaus and eventually all the apostles themselves in bodily form, still bearing the wounds of his passion, though they too have been glorified. The Risen Lord was no longer bound by time and space so he could be in multiple places at once or appear differently, as the gardener to Mary Magdalene, or twelve centuries later, as a leper to St. Francis. The Risen Jesus sits at the right hand of the Father in Heaven interceding for the Church until His return but He is also present in every tabernacle throughout the world in the Eucharist. The resurrection, the glorified body of Jesus, makes this possible.

Truly, this is the day that the Lord has made. Let us rejoice and be glad in it. Jesus has conquered sin and death; hope itself has risen this day and we share in it through the Eucharist. Jesus Christ, yesterday and today, the beginning and the end, the Alpha and Omega. All time belongs to Him and all the ages, to Him be glory and power forever and ever Amen!
