Elizabeth DeFazio, is working on her Gold Award for Girl Scouts – her project is a memorial surrounding the Sacred Heart statue at the entrance of the property to the memory of those who died (COVID or not) who were not able to have a Funeral Mass, or folks with them in the hospital or at their burial.

If you are aware of someone from Saint Mary's or a relative of a parishioner who'd like to be remembered please let her know by emailing a name to 2020pandemicmemorialrace@gmail.com

Roughly we're at the level we usually are during the year – between \$13-14K a week. A weekly commitment to WeShare makes it easier for us. We could not have done it without you! Thanks a million!

Confessions

Are being held from 445-530pm on Saturday in Religious Ed wing and will be screen and face to face – your choice.

Another building project? What!!!!!!

Can you believe it has been two years since we were made “move in” ready? Who would have guessed what would have taken place over this two year period? Who would have imagined having to build a stage outdoors for the offering of Mass as masked people walk up to Holy Communion as cars’ engines hum in the background, crazy right?

Now I need your help for a new building project and it won’t cost you any money. It isn’t a stage or a CCD building, not even a paint job or renovation on the church, but a parish building project which brings our parish back to what we were and more. While we have done better than many places in terms of people back to Mass - better isn’t the best that I or we can do.

Please help me in inviting people back to a safe and sacred celebration of our Catholic Faith: most particularly in the Mass on the weekends. Bring one set of friends back one weekend or even at daily Mass.....it will make a big difference.

Plans for in person CCD Classes in September.....

Right now like the schools we will have certain days on and also be offering Home Study options.

Levels 1, 2, 3 will begin the week of September 13

Levels 4, 5 will begin the week of September 20

Classes will meet every other week.

Students will do an assignment at home on alternate weeks.

Work not handed in will result in an absence!

**Classrooms will be set up to account for social distancing.....
meaning in a double room only 12 students.**

All will be required to wear masks.

Rooms will be sanitized daily with UV units.

A standing temperature device will also be used.

We are still in need of volunteers:

Monday – Catechist Levels 2, 3, 5 Assistants 3, 4, 5

Tuesday – Catechist Level 3 Assistants 1, 3, 4

If you are able to teach/assist in the classroom – (which means guiding a child to and from the bathroom - and being another adult in the room for safe environment purposes), please let me know before you make your payment.

Connect via email- stmarysjversweyveld@gmail.com. She is in the office on Mondays and Tuesdays (will be taking a few vacation days in August) but will monitor email account from home.

Safety First!

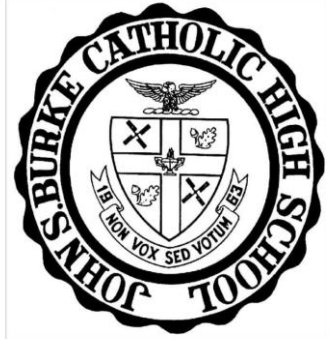

We'll be using standing temp gauges for Little Lambs, CCD and Indoor Masses; and UV lighting will be used to clean all of the classrooms and offices at St. Mary's.

A parishioner-owned business which makes them and American made masks will be working with us also to outfit folks with these masks. I ordered 1,300 adult ones and 700 kids' size.
