gratitude

....is Good for You and Your Family

GRATITUDE IS AN ANTIDOTE TO WORRY...when you are worried about tomorrow, think about the things you are grateful for today putting away the fear of the future.

*At dinnertime, have your child say one thing that made them feel grateful for during the day.*

GRATITUDE IS AN ANTIDOTE TO JEALOUSY... When you compare what you have with what others have, think about all that you DO have in your life.

*At breakfast or at bedtime, have your child thank God for all the special people in their life.*

GRATITUDE IS AN ANTIDOTE TO SADNESS... When you feel down, depressed thinking about how grateful you are for all the good things in your life chases the blues away.

*Create a gratitude jar. Draw on it when the clouds of sadness overwhelm you.*

GRATITUDE IS AN ANTIDOTE TO STRESS... When life becomes overwhelming, think about how grateful you are for everything that is going well in your life.

*Encourage your child to be grateful for the gift of nature, the beauty of sunsets, the glow of the moon and stars in the night.*

## St. Mary's Religious Education Program THANKSGIVING FOOD DRIVE November 1-22

After a two year pause due to Covid, we are bringing back  
the Country Kids Food Pantry collection.

### NEEDED:

*Pasta, spaghetti sauce, cranberry sauce, stuffing, canned vegetables. (Check expiration dates please)*

We are grateful for your generosity in these times!

Children should bring their donations to class.

**A Mass of the Dead** was offered on Nov 3 at 7pm for the deceased. All Loving Memory candles were blessed and lit during the Mass. If you did not take your candle(s) home at the conclusion of Mass, they are available in the Pick-up room off the lobby.

## Children's Health and Social Safety Initiative (CHASSI)

*The Children's Health and Social Safety Initiative (CHASSI) provides a focused, holistic approach to improving the health and social well-being for at-risk children ages 0 to 6 years old and their families in Orange and Sullivan Counties.*

With the goal of providing children with a healthy foundation and a strong start for an improved quality of life, CHASSI helps parents struggling with addiction access treatment and social safety net supports (such as emergency food and shelter assistance) to reduce adverse childhood experiences and improve the home environment during a child's formative years to promote positive childhood development and build healthier lives and brighter futures for themselves and their children.

*Catholic Charities provides help to those in need regardless of religion, insurance status, or ability to pay.*

## ALL SAINTS DAY PROJECT

Mrs. Matuszewski and Mrs. Pagan's  
Sunday Level 4 Class

My class did a wonderful job on their saint projects! The class was engaged and everyone participated, asking each other questions. They expressed wanting to do more of these projects.

## SAINTS FUN FACTS

by John Sheppard

St. Margaret of Scotland sailed to Scotland from her native England to escape the king who conquered their land. She married Malcolm and became Queen.

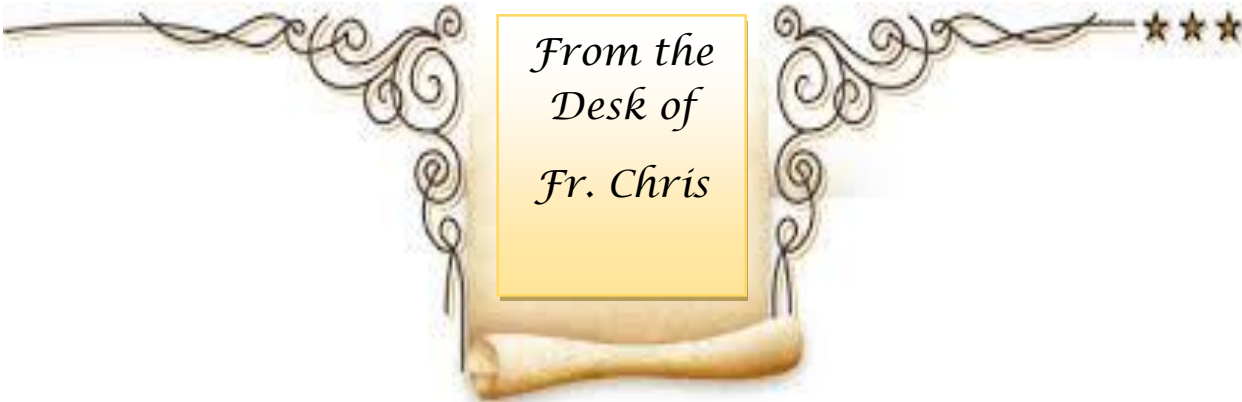

She provided good advice and made a good ruler much better thru her wisdom. She had new churches built, obtained more teachers and corrected evil practices.

## THE THANK YOU PROJECT

Catholic Daughters of the Americas, Court St. Ann, Mother of Mary #2419 invites everyone to participate in the New York State CDA project -**The Thank You Project**. NYSCDA is collecting thank-you cards and letters that will be mailed to active service personnel. The letters should be positive, upbeat and thankful. Do not put them in envelopes. There will be a collection box in the vestibule of the church to collect your cards and letters until November 15. A great group project for children too!

*From the  
Desk of  
Fr. Chris*

Dear St. Mary's Family,

As we continue through this month of November, dedicated to all the holy souls that have gone before us, we remember and pray for our deceased loved ones in a particularly poignant way. Through what Jesus has done, we have hope, that not only, are our deceased loved ones still with us but that they await our journeying to them.

Last week on All Souls Day, I was at Resurrection Cemetery on Staten Island with Cardinal Dolan, several brother priests, and a large group of the faithful present for an All Souls Day Mass. In his homily, the Cardinal pointed out how often we use terminology that almost denies the faith we have in eternal life. He said we say things like, "They're gone" or "no longer with us" which is simply not true. The person who has died remains close to us in a real though different way. They are alive in what we call the Communion of Saints and still hear us when we speak to them. They truly are not "gone" or "no longer with us".

He remarked that a more appropriate phrase seems to be "passed away" since it reminds us of Jesus' own Passover from death to life, and that through Him we "pass over" from this world to the next to join the Lord Who has gone before us.

We continue this month to honor the saints that have shown us the beauty of authentic discipleship and pray for the holy souls in Purgatory that quickly they will behold the face of God.

*Fr. Chris*
